

NORTH EAST SKA * JAZZ ORCHESTRA

Hospitality rider:

Accommodation:

We are nineteen people travelling from Italy (usually by vans) so it would be really appreciated if you could find us a place where to sleep.

We are ok with any solution: Hotel, hostel or apartment. Even hosted by whoever has a free bed at home. If no hospitality is available the please let us know as soon as possible so we can find somewhere ourselves.

Food:

It would be good if during set up and sound-check we could get something to eat and drink. (travelling makes us hungry and very thirsty!).

Dressing room:

What we absolutely need though is a room where to leave our (expensive) instruments and where to change into out on stage clothes.

Taking care of the points above is really important for the quality of the show and we consider them part of the deal so read carefully!

Any questions or enquiry will be answered at:
